A word from the President

It gives me great pleasure, as President of Winnington Park Rugby Club, to welcome players, coaches, officials, supporters, sponsors,and guests to today's rugby programme at Burrows Hill.

There is something very special about rugby. It brings people together through teamwork,commitment, respect, and a shared passion for the game. Today is an opportunity to celebrate not only the players taking to the field, but everyone behind the scenes at Winnington Park who contributes so much to the life and success of our club.

I would like to thank our coaches, volunteers, committee members, sponsors, families, and supporters for their continued dedication and encouragement. Without your invaluable contribution, our rugby club would not be able to thrive.

To the players, I wish you an enjoyable and competitive game. Play with pride, determination, and respect for your opponents, the officials, and the traditions of our great sport.

I hope everyone enjoys the occasion, both on and off the field, and that we can look forward to another memorable day of rugby.

Welcome, and thank you for your continued support.

Chairmans notes

Dear Members, Supporters, and Visitors,

It is with great pride and immense gratitude that I welcome you to Winnington Park RFC for the 1st XV's game.

It's been a challenging start but the confidence is high in the squad to turn it around today.

As we gather to enjoy another thrilling day of rugby, with a tough match ahead against our good friends Firwood Waterloo.

It's worth pausing to reflect on the incredible 118 years of rugby heritage that have brought us to this moment. Our club has stood as a cornerstone of our community, creating passion, teamwork, and camaraderie across generations.

A club like ours cannot survive without the dedication and commitment of people such as our coaches and sponsors. We thank them sincerely for their continued support and hope they enjoy the day.

Today, WPRFC is stronger than ever, proudly fielding 23 teams and representing over 800 members who wear our badge with honour. From our youngest players learning the basics to our senior teams showcasing skill and determination, every individual contributes to the spirit and success of our club.

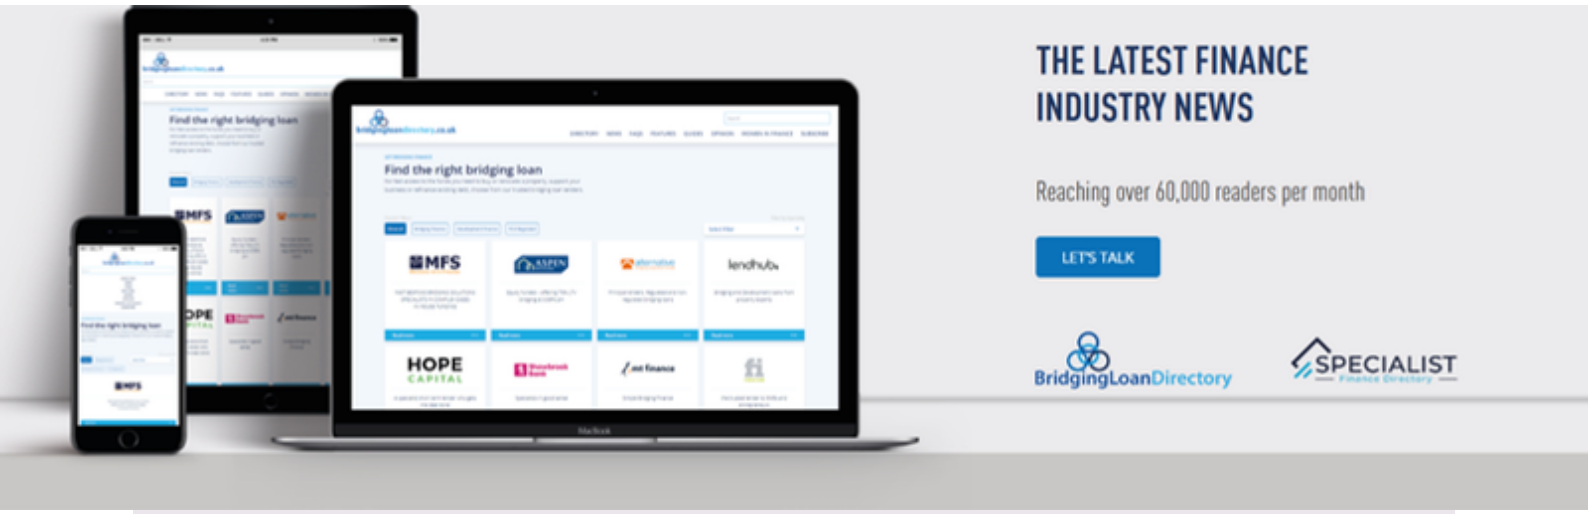

What truly sets us apart is our connection to the local community. Whether it's through our grassroots initiatives, charity partnerships, or simply providing a welcoming space for everyone who walks through our gates, we are deeply committed to giving back to the people who have supported us for so long.

Above all, WPRFC is about more than rugby; it's about family. Our friendly atmosphere and unwavering sense of belonging make this club a home for players, supporters, and volunteers alike. Whether you're a lifelong member or a first-time visitor, we hope you feel part of something special here today.

Thank you for your continued support. Enjoy the game, and here's to many more years of rugby excellence.

Regards,
Paul Dean
Chairman

A word from our DOR Richard

Whilst we still look for our first victory I thought we were very unlucky not to have picked up two wins over the last couple of weeks.

The team really stuck to their task in terrible conditions and but for a couple of decisions which could have gone our way a victory would have been ours

So we welcome Firwood Waterloo to Burrows Hill and as always these are close games so I would expect the same again today but hopefully a win for us

A word from womens DOR Jen Williams

It's been a challenging few weeks for Winnington Park Ladies, with some tough results, but the squad remains focused on improving, building strength and getting back to enjoying our rugby.

Our last outing against Didsbury proved difficult, with a lack of numbers making things particularly challenging and contributing to a heavy defeat. It wasn't the performance we wanted, but these are the situations that test a squad, and we're determined to learn from them and move forward.

We responded well in the cup, putting in a much-improved performance against Chester 2s. Unfortunately, despite a closely contested game, we came away narrowly beaten. While it was disappointing not to progress, there were plenty of positives to take from the performance, and it was encouraging to see the team respond after a difficult run. With our cup campaign now over, we can turn our full attention to the league and focus on building some consistency over the coming weeks.

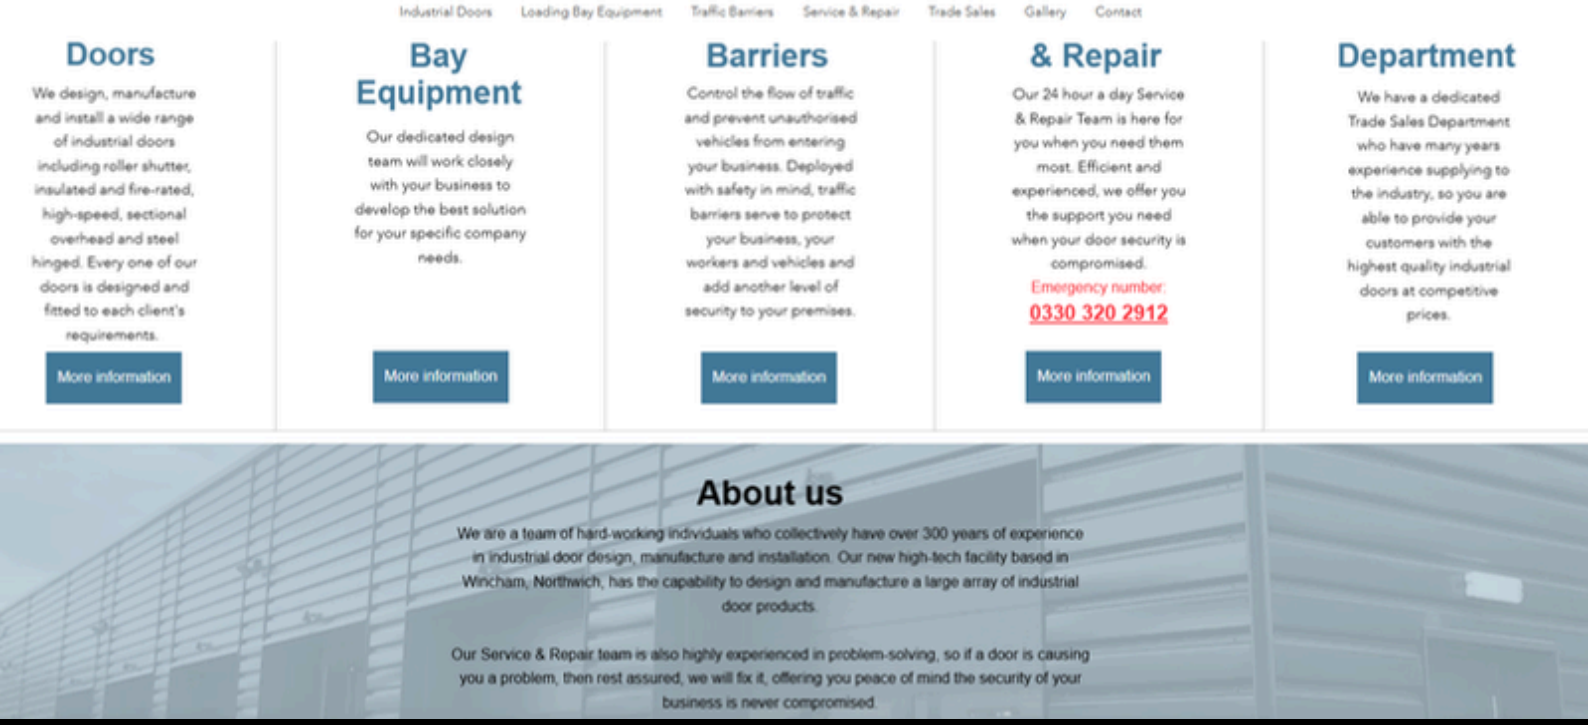

Behind the scenes, recruitment remains a big priority. We have a number of players currently covering unfamiliar positions, and while the squad has shown plenty of commitment and versatility, we're keen to strengthen our numbers and add depth across the pitch. We're always looking for new players to come and give rugby a try, and no previous experience is necessary. Whether you're completely new to the game or looking to get back into rugby, we'd love to hear from you. We have a welcoming group and plenty of opportunities to get involved.

Our next fixture takes us away to Liverpool Collegiate, where we'll be playing alongside the Winnington Park men's 3rds. It promises to be a great day of rugby, with both teams making the trip and hopefully plenty of support on the sidelines. These occasions are a brilliant reminder of what club rugby is all about, bringing people together and creating a great atmosphere both on and off the pitch.

We know we have work to do, but there's plenty of determination within the squad. Our focus is on getting more players involved, building confidence and putting together the performances we know we're capable of. We're looking forward to the challenge at Liverpool Collegiate and hope it marks the start of a more positive run of results.

As always, a big thank you to everyone who continues to support Winnington Park Ladies. Whether you're sponsoring players, helping behind the scenes or cheering us on from the sidelines, it really does make a difference.

Last time out.....

Warrington v WPRFC

24th October 2026 – Park lose close game at Warrington

Warrington 18 – 11 WPRFC

This week Park travelled to newly promoted Warrington for the first game at Warrington since the 2021-2022 season. The conditions were very poor with heavy rain and windy conditions, so it was going to be a tough game in the conditions.

Park started the game and got off to a solid start with some good territory and possession, but handling let them down in the poor conditions and handed the ball to Warrington to clear the lines. Warrington played a few phases and caught Park off side and while playing advantage they would have scored but knocked-on and came back for the penalty. They kicked for the corner and won the lineout at the front and broke through and scored the first try of the game on 6 minutes (5-0). The game was very even over the next 15 minutes with both sides having periods of attack and Robin Lowndes had a try disallowed on 12 minutes being adjudged to have held a defender back. Park continued to work hard and got a penalty 15 minutes when Warrington were caught holding on 30 metres out and Cameron Flanagan kicked the points (5-3). Warrington extended their lead on 20 minutes from the tee with a penalty (8-3). On 30 minutes Warrington had a lineout on the half way line but lost the ball and Joel Gaidan picked up and took the ball into contact, we recycled quickly and Robing Lowndes took the ball and powered through the defensive line 40 metres out and stepped the full back to score a great try in the corner and level the game (8-8). This was a game of attrition, and both sides had to work hard in defence and attack in the conditions, but the game was very even. Unfortunately, it was Warrington who scored on 39 minutes to take the lead into the second half (13-8).

Half time score 13 - 8

Warrington kicked off the second half with a 5-point lead but the game was a battle for the first 15 minutes of the second half with both teams not being able to convert field position and territory into points. Park had a couple of opportunities but with the weather conditions were affecting our handling and Warrington were suffering also in the poor conditions. Park had a good period of possession in the Warrington 22 in the early part of the half, but Warrington defended well and exited their red zone with some deep kicks. Warrington extended their lead on 62 minutes from a scrum on the Park 22 but had to work hard to break the Park defence working through 10 phases before breaking the line from 5 metres out (18-8). On 75 minutes Park had a penalty 30 metres out and Cameron Flanagan stepped up to kick the penalty and close the gap (18-11).

This was a tough day for Park in the conditions, and the game could have gone either way.

Final score: Warrington 18 – 11 WPRFC

Team: Teddie McCaffery, Dan Davenport, Jack Williams, Dan Williams, Harry Sheard, Cameron Flanagan, Lachlan Pethybridge, Robin Lowndes, Matthew Treacy (captain), Luke Westgate, Phil Lynch, Harry Dodd, Joel Gaidan, Frankie Davenport, Ethan Prosser, Bruce McGrogan, Dylan MacDonald and Tom Lawrence

A word from the coaching team - Chris Sheppard and Aaron Collins

It's fair to say that we haven't had the results we wanted so far this season, and I know that everyone involved in the group shares that disappointment. However, what has been pleasing to see is the commitment, attitude and hard work the lads continue to show on the training field. They are putting in the effort, working hard for one another and doing everything they can to turn things around.

We know there are areas we need to improve, but the determination within the group to get better and put things right is clear for all to see.

I firmly believe in this talented group of players and in what we are capable of achieving together. Rugby is a game that will test you at times, and it's how you respond to those challenges that defines you as a team. We need to stay united, continue to trust the process and keep working hard for one another. I have every confidence that, if we maintain our standards, keep learning and continue to give everything we have, the performances will improve and the results will come.

Thank you, as always, for your continued support — it means a great deal to the players and everyone involved with the club

3rd XV Focus

Welcome back to the Will Glendening Memorial Ground!
It feels a bit like déjà vu writing these notes, as unfortunately, there's not a great deal of rugby to report on since the last programme! Our scheduled trip to Ormskirk was postponed, so the Third Team have had another weekend without a game.

That said, it's not all been quiet on the rugby front. A number of the Third Team lads have stepped up to play for the Twos over recent weeks, and it's been really pleasing to see them not only holding their own but putting in some excellent performances. That's exactly what we want to see across the club. Lads taking their opportunities, challenging themselves and showing that there's plenty of quality coming through the ranks.

It's always a tricky time of year for availability, particularly with half-term holidays thrown into the mix. But that's part and parcel of grassroots rugby, and we'll keep working hard to get as many lads out on the pitch as possible.

Looking ahead, we're back on the road this coming Saturday with a trip to Liverpool Collegiate. Hopefully, we can get a strong squad together, put in a performance that reflects the work the lads have been doing and, most importantly, get a decent win on the board. It's been a frustrating few weeks without rugby, so I'm sure the boys will be itching to get back out there.

Finally, we're always on the lookout for new players. Whether you've played rugby for years, haven't pulled on a pair of boots in a while, or have never played before but fancy giving it a go, there's a place for you at Winnington Park. Don't worry about experience or ability, just drop the club a direct message and we'll get you involved. The more the merrier!
Here's hoping we've got a bit more rugby to talk about in the next programme!
Enjoy the game!

Your Home.
Our Passion.

Morgans of Cheshire was founded on four key principles: honesty, care, trust and passion. We believe that selling your home is a deeply personal experience and requires the utmost in knowledge, professionalism, and skill. It is those elements that inspire us every single day to go above and beyond to deliver the very best for our customers, many of whom have become friends. It is those customers who have helped grow this family business from a room in our house back in 2017, into the highest selling agent in the mid-Cheshire market in 2024 with a customer facing branch in the village of Weaverham and in excess of £3Million worth of property sold every month. This has led to independent industry recognition: Winning Gold in the British Property Award for Northwich 2019, 2021, 2023, 2024 and now 2025 along with our inclusion in 'The Best Estate Agency Guide 2025', our 7th consecutive year with the highest accreditation level of 'Exceptional', ranking us in the top 5% of all agents nationally for property sales and customer satisfaction.

We are so confident that we will deliver for you that we have no tie in period and do not ask for any notice to cancel. Our relationship with our vendors is one based on trust. Quite simply, if we do not sell your house, you owe us nothing. From the moment you instruct us, to the day you hand over your keys for the last time, we are here for you, working tirelessly to get your sale completed with the minimum of fuss and the maximum of care.

We have always treated Estate Agency as a true profession, an art even, if done to the best it can be. Moving home is often stressful, we are here to make it easier than you ever imagined it could be. One of the things we are most proud of is the extraordinary group of talented, caring and enthusiastic people we have working here. It is their commitment to the highest levels of service that make the experience for our vendors and buyers so special. To us, you and your home really do matter.

Mini & Junior Rugby Update

A big well done to all our U12 and U14 boys representing Leftwich, Knutsford and Hartford schools. It's fantastic to see so many Winnington Park players involved, with the majority of the teams made up of our own club boys. A great reflection of the rugby being played and developed here at the club!

Cheshire Cup Action

Our Cheshire Cup campaigns continue this month, with some exciting fixtures to look forward to. Our U14s, the current champions, travel away to Northwich on Sunday 22nd November as they look to defend their title. Meanwhile, our U13s host Lymm in their first cup game. Good luck to both teams!

Girls' Rugby Going from Strength to Strength

Our Girls' section continues to go from strength to strength, with fantastic progress across the age groups. Well done to all the players and coaches involved!

Minis Recruitment – We Need You!

Recruiting new players into our Minis section remains a key priority. If you have friends, family or neighbours with children who would like to give rugby a go, please encourage them to come down on a Sunday morning. Everyone is welcome, whether they've played before or are completely new to the game.

Volunteers Always Welcome!

We're always looking for more volunteers to help keep the club running and give our players the best possible experience. Whether you can help with coaching, refereeing, setting up pitches or supporting in the kitchen or behind the bar, every little bit makes a difference. Please speak to any coach or committee member if you'd like to get involved.

Thanks, as always, for your continued support. Enjoy the rugby and get behind all our teams!
